MASTER NURSERY  
**BUMPER CROP**  
 NATURAL &  
**ORGANIC**  
**RAISED BED MIX**  
 Ideal for all container planting

**Master Nursery® Bumper Crop® Natural & Organic Raised Bed Mix** is a versatile mix that can be used as both a potting soil or as a ready-to-use soil amendment. Making it a great choice for all container and in ground planting.

**Master Nursery® Bumper Crop® Natural & Organic Raised Bed Mix** is designed with carefully selected premium ingredients, which can be used in all containers and any type of raised bed garden. Enjoy a season of delicious fruits, vegetables, or herbs.

**RAISED BEDS & LARGE CONTAINERS:**

Completely fill the raised bed or large container with **Master Nursery® Bumper Crop® Natural & Organic Raised Bed Mix**. Carefully dig holes for each of your plants. Once you have placed the plants in the holes, use **Bumper Crop® Natural & Organic Starter Food** on all your seedlings, vegetables, or flowers. Now that the raised bed is planted, water the entire bed thoroughly.

Continue feeding throughout the growing season with your favorite **Master Nursery®** or **Bumper Crop® Natural & Organic Plant Food**.
